Dear Human,

In celebration of Randburg turning 60 years old, Randburg Sun is helping the Randburg SPCA to care for the many animals in need in the area - and we need your help.

Buying a brick for R60.00 will assist us in taking care of those in our guardianship.

In return, we will put your name on a plaque, which will help us to help those who have no voice. You may also dedicate your brick in honour of someone you love.
