MORE ABOUT JUST IN TIME BABY SANCTUARY

Just In Time Baby Sanctuary is a registered, non-profit organization that looks after abandoned, abused and neglected babies. We are situated in Greenhills, Randfontein. The project was launched in August 2016 by Me. Georgina Caetano and we have since assisted 18 babies. We also assist mothers in need with baby necessities.

We are currently only permitted to care for 6 babies at a time and therefore we have great plans in 2018 to expand so we may help more babies. The operating costs of this project are astronomical. It is currently R35,000 per month and will increase to R70,000 once we have expanded. This is why it is of utmost importance for us to launch regular fundraising initiatives such as this.

We hope that you will participate in this project in order to help us make a difference in helpless babies' lives.
