If not why not.</p>	<p>The first 240L wheelie bin has always been provided free of charge and this has never changed. The Council decision on the 2012/2013 tariffs was on the basis of charging a bin levy for replacement and additional bins. The Council decision to discontinue charging the Bin replacement levy for the 2014/2015 will apply only to queries logged on or after 1 July 2014. All queries logged prior to 1 July 2014 for bin replacement or additional bins will continue to apply the current process per the Pikitup website and 2013/2014 tariffs applicable.
