Although every effort will be made to meet the wishes of the Advertiser, no undertaking can be given in this regard in respect of the date of publication, distribution, the form and position of the entry/ies, the name and/or title and format of the advertisement, the number of copies and place of distribution.
3. Advertising material is not accepted subject to editorial space being given.
4. The Advertiser shall be responsible for, and hereby undertakes to pay the Publisher all expenses which the Publisher may incur arising out of the Advertiser's default, including all costs of tracing the Advertiser on the scale as between attorney and own client.

8. The Citizen will not be held liable for any failure to publish or delay in advertising caused by any force outside The Citizen's control. These forces include, but are not limited to, war, industrial dispute, electricity failure, any Act of God, governmental or legal restraint.
9. The Publisher reserves the right to suspend issue on any day and to increase or decrease the usual number of editions printed without notice.
10. Space is sold to the Advertiser for the purpose of making announcements concerning his/her own business and may not be used for attacking or making comparisons with other advertisers, firms, institutions or persons.
11. Should the Advertiser not meet his frequency, or share of market commitment, the Publisher shall be entitled to charge the top rate. This also applies when a contract is cancelled prior to completion.

Should this contract be terminated by the Advertiser before the end of the specified period, other than in terms of Clause 12, or on non-fulfilment of agreement within the special period, the Advertiser shall immediately be liable for the difference between the discounted rates and rate card rates for all advertising taken during the contract period.
18. The Publisher reserves the right to cancel any contract in the event of the Advertiser failing to make payment in accordance with our terms of thirty (30) days. In the event of such cancellation, all advertising taken during the contract period will be subject to the surcharge set out in Clause 17 above.
19. Deadlines may be varied by the company at any time.

ARTWORK SPECIFICATIONS

File types

- MAC and PC files are both workable. If CorelDRAW has been used it is best to supply an exported EPS file with fonts converted curves/lines/outlines. All colours must be output as process colours. NOT spot or Pantone colours
- We work in the Adobe Creative Suite (Photoshop, Illustrator & InDesign). We cannot accept CorelDRAW, FreeHand or Quark
- Linking files: Always link, never embed. Provide all linked files with layout files (vector files)
- Clients that supply discs in any format must make sure that all the working files, fonts (screen and printer) are high resolution images

Colour

- Proof required: Please send a JPG/PDF file or a colour printout to proof your artwork against
- Pantone colours: For accurate colour matching use Pantones for corporate colour
- All desired colours need to be specified. Do not use generic colours such as "green", from Adobe Illustrator or CorelDRAW. Convert all to CMYK
- Note that exact colour matches are not always possible

Scans/raster images/placed images

- Scans/raster images must be created at 300dpi at 100% print size
- Scans: convert colour to CMYK/Grayscale
- EPS and TIFF: Generally speaking, EPS files are the most foolproof, and carry the most information. NEVER place an EPS within another EPS
- GIFs do not have a high enough resolution for printing
- JPGs with file sizes smaller than 300KB are usually not suitable for printing because of its low resolution

Vectorized artwork

- Do not supply logos or other vectorized illustrations as bitmapped art. Typographic logos and related images need to be saved as outlines in the vectorized format, text converted to paths/curves/outlines
- Fonts - convert: Convert short text lines to paths when sending open/workable files

Production specifications

Sizes: Maximum sizes 285x410; minimum size 200x140; no smaller than A5; single sheet A4 must be on 160gsm. Any four-page tabloid and less must be quarter folded. Any inserts out of spec must be negotiated with the mailroom manager.

Types of folding

Folded inserts must be processed in right-angled folding, parallel folding or centre fold only. No concertina, door or accordion folds should be processed as these cause major production delays.

Trimming

All inserts must be given a square and same size trim. There should be no evidence of poor trimming due to blunt knives.

Unusual products

Any card i.e. cut, perforated insert or any other material of an unusual nature, dimensions or fold should be checked by the mailroom manager prior to acceptance of booking.

Packing and transport

Inserts that are stuck together due to still wet ink, inserts that are electrostatically charged, or damp, cannot be inserted and should not be processed. Likewise, inserts with dog-ears or displaced spines cannot be processed. The inserts must be stacked cleanly on stable pallets and protected against any possible transport damage and moisture. Each pallet must be marked clearly with a visible packaging slip on two adjacent sides.

All package slips must contain the following information: product name, publication date, key number, name and contact info of the printer, total number of inserts delivered, number of inserts in each bundle/pallet/box, number of inserts on this pallet, total number of pallets, individual pallet number, space for two bar codes.

No goods will be accepted without a delivery note. The delivery note must contain the following information: number of boxes or pallets, total delivered, publication name, name of contact person, key number/caption, product description e.g.: four-page tabloid quarter folded.
